

SALARY ADMINISTRATION  
Additional Compensation/Extramurally Funded Research

APM - 667

667-0 **Policy**

Within the limits established in Section 660-16, an academic appointee may receive additional compensation for services rendered in connection with extramurally funded research projects undertaken by the University unless the terms of the appointee's University appointment prohibits acceptance of additional compensation.

667-18 **Rate**

Additional compensation for extramurally funded research is computed at a rate equivalent to the appointee's regular basic salary.
