

**ARTICLE 41  
PARKING**

**A. GENERAL PROVISIONS**

1. The University shall provide to career and special per diem nurses, parking and parking-related services at each campus or the laboratory to the same extent and under the same conditions as normally provided to other University employees at the nurse's location.
2. The parties understand and agree that parking spaces designated for employees may from time to time be eliminated or reassigned due to construction, special events, and/or operational needs of the University.

**B. PARKING AND TRANSPORTATION RATES**

1. The University, upon ratification by both parties, will implement the FY 2010-2011 parking and transportation rates at each location as set forth in Appendix E, effective on ratification of the Agreement. The University will make payroll deductions for nurses with parking permits in accordance with campus procedures.
2. For FY 2011-2012, the University shall limit the parking rate increase over and above the 2010-2011 rates to no more than \$12/month, or equivalent for other than monthly permits.
3. For FY 2012-2013, the University shall limit the parking rate increase over and above the 2011-2012 rates to no more than \$16/month or equivalent for other than monthly permits.
