Who is Eligible?

You are eligible to enroll if you are appointed by the University to work at least 43.75% time and your paycheck is large enough from which to allow the required premium deduction corresponding to your elected coverage.

You may, by selecting one of the Family Plan Options, enroll your spouse and your unmarried Natural or legally adopted children under age 23. You may enroll unmarried children under age 18 for whom you are the legal guardian if living with you; dependent upon you for at least 50% support and claimed as your dependent for income tax purposes. You may enroll your unmarried stepchildren, natural or legally adopted children of your spouse or grandchildren of you or your spouse under age 23; if living with you; dependent upon you or your spouse for at least 50% support and claimed as your or your spouse's dependent for income tax purposes.

Further, your unmarried children as defined above, except a child for whom you are the legal guardian, who became incapacitated before age 23 may continue to be covered past age 23 provided you remain covered under this policy and the child is and continues to be incapable of self-support for reasons of mental or physical handicap and is chiefly dependent upon you for at least 50% of his or her support, and is your dependent for income tax purposes or is eligible for Social Security Income or Supplemental Security Income as a disabled person or working in supported employment which may offset the Social Security or Supplemental Security Income," and is living with you if a stepchild or grandchild (your natural or adopted child is not required to be living with you). Application must be made at least 31 days before the child's 23rd birthday and is subject to approval from the insurance company or a UC-sponsored health plan, the incapacity began before age 23, the child was enrolled in a group medical plan before age 23 and coverage is continuous. The Insurance Company may periodically request proof of continued disability. Incapacitated children approved for continued coverage under a University-sponsored medical plan are eligible for continued coverage under any other University-sponsored medical plan; if enrollment is transferred from one plan to another, a new application for continued coverage is not required.

If you are a newly hired Employee with an incapacitated child, you may also apply for coverage for that child. The child must have had continuous group medical coverage since age 23, and you must apply for University coverage during your Period of Initial Eligibility.

Eligible dependents also include your domestic partner and their eligible children as set forth in the University of California Group Insurance Regulations*. For information on who qualifies and on the requirements to enroll a domestic partner, contact your local Benefits Office.

**These dependents are newly eligible effective January 1, 2001*

Effective January 1, 2005, the University will recognize an opposite-sex domestic partner as a family member that is eligible for coverage in UC-sponsored benefits if the employee or domestic partner is age 62 or older and eligible to receive Social Security benefits and both the employee and domestic partner are at least 18 years of age.

Please note: if you have an eligible adult dependent relative enrolled in the UC-sponsored medical, dental and/or vision coverage, you may not enroll your spouse/ domestic partner in the AD&D plan.

Non-Duplication of Coverage

UC Rules do not allow duplicate coverage. You may be covered as an employee or as an eligible family member of a UC employee. You may not be covered in more than one category. If both parents are UC employees, only one parent may cover the children. If a dependent obtains insurance as an eligible employee, they no longer qualify as a dependent. If a duplicate enrollment occurs, UC will cancel the later enrollment. UC and/or the insurance carrier reserves the right to request documentation to verify eligibility (marriage certificate, birth certificates, adoption records, tax records, etc).

You may not be covered under any combination of the active employee and retiree plans.

How Do I Enroll?

To become insured under the Plan you need only submit a completed University of California enrollment form, which you may obtain from your department or from your local Benefit Representative. Please return the completed form to your local Benefits or Accounting Office.

You may enroll in this Plan at any time as there is no period of initial eligibility associated with this coverage.

Each employee enrolling in the Plan will receive a certificate of insurance.

How Much Coverage May I Obtain for My Family?

Under the Family Plan your spouse/domestic partner and eligible children are automatically covered as follows: your spouse/domestic partner is insured for a Principal Sum equal to 50% of your Principal Sum and each eligible child is insured for 20% of your Principal Sum. If you have no eligible children, your spouse/domestic partner's Principal Sum is 60% of yours.

What Is The Modified Family Plan?

The Modified Family Plan covers one parent and all eligible children, at a modified premium rate. If both husband and wife/domestic partner are eligible employees of the University, only one may elect to cover their eligible children. Single parents may elect to cover themselves and their eligible children. Under the Modified Family Plan each of your eligible children is insured for an amount equal to 20% of your Principal Sum.

To Whom Are My Benefits Paid?

Benefits for loss of your life will be payable in accordance with the beneficiary designation on your enrollment form. If no such designation has been made, such indemnity shall be payable to the person or persons (in equal shares) in the first of the following categories in which there is a survivor:

1. Your spouse or domestic partner
2. Child or children of deceased child shall take the share of such child by representation;
3. Your parent or parents;
4. Your surviving brothers and sisters;
5. Your executors and administrators.

If you select either of the Family Plans, you will be the beneficiary of your covered dependents for loss of life. If you are not living at the date of death of your covered dependent, payment will be made (a) in the case of the death of your spouse/ domestic partner, to the spouse/domestic partner's executors or administrator; (b) in the case of the death of your child, to the first surviving class of the following classes of successive preference beneficiaries; the child's (1) surviving parent; (2) surviving brothers and sisters; (3) executors or administrators. All other indemnities are payable to the person suffering the loss.

When Will Coverage Be Effective?

Your insurance will become effective as of the date the electronic enrollment is completed or the application is received in your local Benefits or Accounting Office or your first day of eligibility, whichever is later.

Insurance of an employee who is not actively at work on the normal effective date will become effective the day after the employee's first full day actively at work, unless the employee is on an approved leave with pay for non-health reasons.

Your newborn natural child is covered from the date of birth and any minor child placed with you for adoption is covered when the child is placed in your physical custody; provided you are enrolled in one of the family plans and the child's effective date of coverage is not earlier than your coverage effective date. New or increased coverage for any other family member who is hospitalized on the normal effective date begins on the day after the family member is discharged from the hospital.

When Does My Coverage Terminate?

Your name will terminate immediately on the earliest of the following dates:

- a) On the date the Master Policy is terminated.
- b) On the premium due date if the University fails to pay the required premium for

- you except as the result of an inadvertent error.
- c) On the premium due date next following the date you cease to be an eligible employee of the University for this insurance.
 - d) With respect to an Insured Person who is insured under the Master Policy as a dependent, on the premium due date next following the date he or she ceases to be an eligible dependent

Coverage for a subscriber or enrolled dependent may be terminated for fraud or deception in the use of services of the Plan or for knowingly permitting such fraud or deception by another. Such termination shall be effective upon mailing of written notice by the Plan to the subscriber and the University. Termination of coverage of a dependent for fraud shall not cancel the enrollment of other family members. Termination of coverage for subscriber shall cancel automatically the enrollment of all of the subscriber's dependents.

When You Retire

You and your family members may not continue the UC-sponsored Employee AD&D coverage when you retire. You and your spouse/domestic partner, however, may purchase AD&D coverage through the UC-sponsored Voluntary Accident Insurance Program available to UC retirees. Contact the insurance carrier for more information.

May I Convert My Insurance?

If you leave your employment with the University of California for any reason you may convert within 31 days of termination to an individual form of Accidental Death & Dismemberment coverage at the individual premium rate in use at time of the conversion. No medical certification will be required to obtain the conversion policy. Coverage cannot exceed the amount purchased under the Group Plan (not less than \$10,000 nor more than \$500,000). Covered dependents can also convert with the same restrictions as above. Coverage will be effective either the date the application for the converted policy is received or the date coverage under the group contract ends, whichever is later.

Action Which May Affect Coverage

The following provisions apply unless the employee or family member converts to an individual plan.

LEAVE WITHOUT PAY. You may continue coverage for up to 2 years of an approved leave without pay or during an approved military leave of up to 31 days by making direct payment of premiums to your local accounting office.
