

Berkeley**Etcheverry Hall Renovation**

- Multiphase 10-year renewal and renovation plan for Etcheverry Hall (1964)
- Building provides space for Mechanical Engineering, Nuclear Engineering, Industrial Engineering and Operations Research, and 8 general classrooms.
- Scope of plan includes: renewal or replacement of inadequate and/or obsolete mechanical, electrical, and plumbing systems; fire and life safety and universal access upgrades; adaptive renovation of interior spaces; and system upgrades to improve energy conservation and performance.
- Projects to be phased as fundraising occurs: individual projects anticipated to be within Chancellor authority.
