

Davis

Emergency Power Upgrade Phase 2 (SACRAMENTO CAMPUS)

- Provides code-mandated emergency power to all medical and research buildings on the UCDHS Sacramento campus.
- Adds two self-contained 3-megawatt emergency generators in the central plant yard.
- Includes a bus duct from the generators to the central plant and modifications to the emergency bus duct in the electrical room to handle the full 12 megawatts produced by all emergency generators; and adds an 80,000 gallon above-ground diesel fuel tank.

Budget Approval

Budget Year 2014-15

Summary of Budget by Fund Type

<u>Funding Source</u>	<u>Amount</u>
Hospital Reserves	\$12,500,000
Total Budget	\$12,500,000
