

Davis Hospital Seismic Upgrade University Tower 1 Remodel (SACRAMENTO CAMPUS)

Fiscal Year: 2014-15

Project Description

- Relocates and provides new space for Dialysis and Apheresis departments, relocating from the seismically deficient North / South Wing into the University Tower space after the University Tower space is remodeled.
- Provides eight stem cell / therapeutic and twelve dialysis beds as well as support and administrative space.
- Part of the UCDHS Sacramento Campus Hospital Seismic Master Plan to meet CA SB 1953 mandates
