

Davis **Physical, Medicine, & Rehabilitation Project**
Fiscal Year **2015-2016**

Project Description

- * Project will make way for a new facility or renovation to replace outdated PM&R space currently located in the basement of the East Wing of the Main Hospital.
- * Project is needed to make way for upgraded facilities to meet current patient care standards such as separation between pediatric and adult patients, better living skills area, and upgraded gym area.
- * Improvements include a new gym area, new office space, upgraded lighting, upgraded flooring, a skills area, and storage for PM&R equipment such as wheel chairs, cast molds, and crutches and supports.
