

**Davis** Skills Lab (Sacramento Campus)

**Fiscal Year** 2016-17

**Project Description**

- Relocates a Medical (Teaching) Skills Lab currently located in the basement of the seismically-deficient North South Wing to the Facilities Support Services Building as part of compliance with seismic mitigation efforts.
- Targets LEED™ Gold. Potential Sustainability features include: efficient building orientation, solar glazing/overhangs, day-lighting, natural ventilation, chilled-beam cooling, rooftop VAV air-handling units, low-flow fixtures/lavatories, water efficiency measures, and recycled materials.

**Project Scope Summary**

|     |        |
|-----|--------|
| ASF | 7,200  |
| GSF | 10,000 |

**Summary of Budget by Fund Type**

|                     |           |                  |
|---------------------|-----------|------------------|
| External Financing  | \$        | -                |
| Gift Funds          | \$        | -                |
| Campus Funds        | \$        | 5,000,000        |
| Campus Funds        | \$        | -                |
| <b>Total Budget</b> | <b>\$</b> | <b>5,000,000</b> |
