

Los Angeles Franz Tower Seismic Correction (P&W Only)

Fiscal Year: 2015-16

Project Description

- Seismically upgrades Franz Hall Tower, occupied by the Department of Psychology, from a seismic rating of Level V to Level III (formerly UC "Poor" to "Good").
- Strengthens the lateral force-resisting system of the building and addresses fire-safety and accessibility deficiencies.
- Part of the campus' Seismic Safety Program
- Preliminary Plans and Working Drawings, estimated to be \$3M, would be funded by campus funds in 2015-16.
- Construction, estimated to be \$50M, would be funded by State funds in 2017-18.

Project Scope Summary

ASF	65,893
GSF	123,723
