

**Riverside** Pierce Hall Improvements

950511

**Fiscal Year** 2015-16

**Project Description**

- **Renews and upgrade building systems in the existing Pierce Hall to address structural and mechanical problems.**
- **Provides an energy-efficient building system to respond to changing instructional and research requirements.**
- **A cost-effective extension of the useful life of a core campus facility.**
- **Provides a classroom addition to respond to a campus wide shortfall in the 75 to 150 station range. These flexible classrooms will respond to new STEM teaching pedagogies.**

**Project Scope Summary**
