

Santa Barbara**Aquatics Center****981490****Fiscal Year****2015-16****Project Description**

- Constructs a 65-meter regulation pool, pool deck, and support facilities (mechanical, electrical, pumps, and filtration equipment) to accommodate men's and women's intercollegiate swimming and water polo, and recreational activities.
- Replaces non-NCAA-compliant campus pool and locker rooms built in 1943, that are too small to accommodate competitive swimming and water polo programs and recreational use.
- Will proceed when sufficient funding is available; partial gift funding is in hand.
- Constructs athletic-program support facilities, including those required for NCAA Division I swim meets and water polo matches.
- Provides new men's and women's locker rooms, concession and ticket-office facilities, bleacher seating, new electronic scoreboards, officials' areas, and space for television and media operations.
