

San Francisco Parnassus Streetscape Phase 1

Fiscal Year: 2016-17

Project Description

- Provides the campus and neighborhood with a beautiful and meaningful identity, balanced circulation, increased function and safety, and welcoming social spaces for the students, staff, patients, and community.
- Overarching design goals include establishing a unifying design language between the Parnassus Heights campus and all UCSF campuses in keeping with the neighborhood character.
- Phase 1 includes the area from the east end of the Clinical Sciences Building to the west end of the Faculty Alumni House at Fifth Avenue on the south side of Parnassus as well as from the east end of the Library to the west end of the Child Care Center on the north side of Parnassus.
