

San Francisco Parnassus Utility Relocation Phase 1

Fiscal Year: 2015-16

Project Description

- As part of the Parnassus Seismic Program, the utilities adjacent to, serving, and running through the Clinical Sciences Building will need to be removed, replaced, or relocated to support the fully renovated building and interior utilities.
- The Seismic Improvements to the Clinical Sciences Building cannot occur without first removing, replacing or relocating the utilities as required.
- This project, though necessary for the CSB seismic retrofit and renovation, will serve additional buildings on the West side of the Parnassus Heights campus.
