ASSOCIATE VICE PRESIDENT—CAPITAL RESOURCES MANAGEMENT

Delegation of Authority—Appointment of Executive Architects, Executive Landscape Architects, and Executive and Consulting Engineers, and Execution of Agreements

Sections 100.4(y) and 100.4(dd) of the Standing Orders of The Regents provide as follows:

    * * *
    (y) The President is authorized to appoint and to execute necessary agreements with executive architects, executive landscape architects, and executive and consulting engineers for approved projects.
    * * *
    (dd) Except as otherwise specifically provided in the Bylaws and Standing Orders, the President is authorized to execute on behalf of the Corporation all contracts and other documents necessary in the exercise of the President's duties...

On June 22, 2009, the Executive Vice President – Budget Operations delegated authority to the Vice President for Budget and Capital Resources to appoint and execute necessary agreements with executive architects, executive landscape architects, executive and consulting engineers, and other professionals and consultants, for projects with approved budgets (DA 2220A). Effective immediately, this authority is delegated to you as Associate Vice President—Capital Resources Management.

This delegation of authority is applicable to all projects with approved budgets on property owned by the Regents or on property which will be owned by the Regents upon completion of the project. Total individual project cost shall be defined as all the costs of the project including administrative, design, construction, interest accrued during construction, and equipment costs.

This delegation supersedes that portion of the delegation on this same subject to the Assistant Vice President – Facilities Administration from the Vice President for Budget (April 28, 2006). This authority may not be redelegated.
