

Biography for Karen Slakey Hull

Karen began working for UC Davis in 1988 where she served as a program representative at UC Davis Extension. She worked her way up at UCDE ultimately becoming department chair for Business, Technology and Engineering Programs. She became the Director of Campus Events & Visitor Services (CEVS) in 1998 and Director of Repro Graphics in 2001. In 2003, she became the Associate Vice Chancellor of Business Services, which included oversight of CEVS, Repro Graphics, TAPS, Fleet Services, Mediation Services and Organizational Development. Karen was also responsible for leading large scale organizational change efforts for the Office of Administration. In 2007, she was appointed Associate Vice Chancellor of Human Resources. Over the past 8 months, she has also taken a lead role in the design and development of administrative shared service centers in the areas of HR, payroll and accounting.
