

Lynda Brewer

Lynda Brewer is the 2006-2007 Staff Advisor to The Regents. She will continue to serve as Staff Advisor for 2007-2008. Lynda is currently the Assistant Director of Capital Planning on the Irvine campus. Over her career of nearly 30 years at UCI, she has been given progressively more responsible positions within the Planning and Budget organization, starting as a Senior Clerk in 1976 and leading to her current classification of Senior Educational Facility Planner.

Lynda has been actively involved with the UCI Staff Assembly for approximately a decade and has been a campus delegate to the Council of University of California Staff Assemblies (CUCSA) for four years. She also has been a member of UCI Academic and Professional Women for approximately fifteen years. For the past three years, she has participated as a member of the campus Budget Work Group, which is chaired by the Executive Vice Chancellor and Provost and is responsible for developing strategies and determining practices for effectively managing campus resources. She was appointed to this committee to provide staff input in this critical area. "The Staff Advisors provide visible role models for University citizenry. It is important to be an active member of one's community and to participate in making it a better place, and I would like to challenge staff to become more involved in University decision-making. I relish the opportunity to contribute my staff experience to the Regental process, and to put a face and a voice to a talented workforce who are dedicated to the continued success of the University of California. One of my goals as a Staff Advisor is to help to build relationships based on mutual respect, so that University staff and members of The Board gain a higher level of understanding, respect, and interaction."
