

Mary E. Miller
Vice Chancellor for Administration

Miller is responsible for financial and budgetary planning, physical facilities planning and construction, and management of the Merced campus. She is also the campus budget officer, working with the Chancellor, Executive Vice Chancellor for Academic Affairs and other cabinet members. She represents the campus for all budget, business and financial matters with the Office of the President and in Sacramento. Before joining UC Merced, Miller was Texas A&M University's Associate Vice President for Finance and Administration. While at Texas A&M, she was awarded a Student Government Administrator of the Year award in 1994 and 1999. She also received an Executive of the Year Award in 2003. Miller received her B.A. in Psychology from Loyola University; and continued university study in psychology and pre-medicine at Michigan State University.
