Forum on Women's Careers Held at Lab

The University of California Women's Forum on Staff Career Advancement was held at Berkeley Lab on Tuesday, Sept. 18, 2007. UCOP Associate President Linda Williams was there, along with UCSF Center for Gender Equity Director Amy Levine, to solicit ideas and collect information on the career challenges faced by women at UC. Nearly 60 women were in attendance.

Asian Club Hosts Full Moon Celebration

Berkeley Lab's Asian Association (BLAA), with support from the Employee Activities Association, hosted a Full Moon autumn celebration in Perseverance Hall on Friday, Sept. 21st. This traditional cultural event brings families and friends together to cherish "perfection in life." Moon-cake and tea was provided. Employees were invited to share their thoughts on this tradition during the event.

SHARES Runaround

The Lab's 30th annual SHARES Runaround was held on Friday, Oct. 19th. Approximately 600 employees participated by running, walking, or biking the 3-kilometer course along the Lab's roads. The top runner finished in 9:26 minutes. Free t-shirts and commemorative water bottles were given to all participants and volunteers. The Runaround also marked the kickoff of SHARES, the Lab's annual charitable giving campaign. During the post-race refreshments and entertainment, representatives from several charities were on hand to answer questions.

Retiree Club Turns 25

The EX-Ls, Berkeley Lab's retiree organization, celebrated its 25th anniversary at a luncheon at the Berkeley Yacht Club on Thursday, Nov. 15th. Lab Director Steve Chu addressed the group on "New Directions of the Laboratory."
