

## 2016 Spotlight Awards

Below are the 2016 Spotlight award winners. For more information on the program: <http://www.ucop.edu/risk-services/reports-resources/recognition-program/spotlight-awards.html>

<b>EH&amp;S Collaboration</b>	UC Irvine	Integrating Safety Culture	This award is to Kim Edwards, Thom Endean, Sheila Hedayati, and Angela Geissbuhler for integrating the safety culture of the Chemistry Department and EH&S to create a new Safety Fellow position that would work with both departments. This new position allows both departments to make inroads that would not have been possible had they been working separately.
<b>EH&amp;S Innovation</b>	UC Irvine	Energy Savings SmartLabs	This award goes to UC Irvine EH&S Energy Team and specifically Mark Gomez, Dick Sun, David Kang, Jay Seong, Alvin Samala and Scott Bourdon for achieving over 50% energy savings in lab buildings through their Laboratory Ventilation Risk Assessment Program. This program provided airflow data allowed them to better manage their risk control bands.
<b>General Liability Collaboration</b>	UC Riverside	Enterprise Risk Management Program	This award goes to VC Ron Coley, Mike Lane, John Freese, Erica Healander, Russell Vernon and Lisa Martin from UC Riverside. They have developed an Enterprise Risk Management Department that includes collaboration among the UCR Police Department, EH&S, Risk Services and the Office of Emergency Management. This has allowed them to create a cohesive means to mitigate and respond to campus risks.
<b>General Liability Innovation</b>	UC Los Angeles	Travel Program	This award is for UCLA's Adrienna Malka and Tara Brown's creation of a campus-wide travel listserve that helps them manage travel risk in their large, decentralized campus. They have also developed marketing materials to explain procedures and other training topics.
