ARTICLE 11 - TERMINATION. University reserves the right to terminate this Contract for violation of any provisions herein or for performance of Work which remains uncorrected or unacceptable to University. University may also elect to terminate this contract for convenience upon written notice to Contractor. If the contract is terminated for convenience the Contractor waives all claims for loss of anticipated profits and damages and agrees that its sole and exclusive remedy is payment of the amount of the Contract Sum allocable to the portion of the Work properly performed as of the date of termination, less sums previously paid, plus any proven losses with respect to materials and equipment directly resulting from such termination, plus reasonable demobilization costs, plus reasonable costs of preparing a statement of costs, expenses, and losses in connection with such termination.

ARTICLE 12 - CONSTRUCTION BY UNIVERSITY OR SEPARATE CONTRACTORS. University may perform work on the Project site with University's own forces or with separate contractors.

ARTICLE 13 - STATUTORY REQUIREMENTS. Bidder shall determine and provide below the daily rate of compensation for any Compensable Delay caused by University at any time during the performance of the Work. A Facility may choose a minimum compensable delay in the best interests of the Project. If so, use the language in parentheses { } and in grey highlight:

\$, • X {NUMBER} multiplier
(Place figures in appropriate boxes.)

Failure to fill in a dollar figure for the daily rate for Compensable Delay shall render the bid non-responsive. University will perform the extension of the daily rate times the multiplier.

The daily rate shown above will be the total amount of Contractor entitlement for each day of Compensable Delay caused by University at any time during the performance of the Work and shall constitute payment in full for all delay costs, direct or indirect, of the CM/Contractor and all subcontractors, suppliers, persons and entities under CM/Contractor on the Project, including without limitation all subcontractors added by Contract Amendment. The number of days of Compensable Delay shown as a "multiplier" above is not intended as an estimate of the number of days of compensable delay anticipated by the University.
