

***SERVICE OF PROCESS
ON THE REGENTS OF THE UNIVERSITY OF CALIFORNIA***

1. SUMMONS & COMPLAINT (CCP 416.50)

The Office of The General Counsel of The Regents (“OGC”), 1111 Franklin Street, 8th Floor, Oakland, California 94607-5200, is authorized to accept of service of process on The Regents of the University of California (“The Regents”). University of California campuses and medical centers are subsumed entities of The Regents and not independent legal entities; therefore, service of process on campuses, medical centers, their officials, or other campus or medical center entities is not proper service on The Regents. (C.C.P. §416.50) Consequently, when designating parties in a complaint in a civil action arising from a dispute involving The Regents or any of its subsumed campuses or medical centers, The Regents is the proper party to name as defendant. It is not necessary to name as a defendant the involved campus or medical center in addition to The Regents.

A summons and complaint in any action naming The Regents as a defendant may be served by hand delivery to any attorney at the OGC during regular business hours, or by mail with accompanying notice and acknowledgment of receipt as provided for by section 415.30 of the Code of Civil Procedure and F.R.C.P. 4(d). The OGC is open for business from 8:00 a.m. to noon and 1:00 p.m. to 5:00 p.m. Monday – Friday, except for University holidays and a one week office closure at the end of each year. For service by mail, a copy of the summons and complaint along with two copies of a properly executed notice and acknowledgment of receipt or waiver of service of summons and a pre-paid return envelope must be sent to: Office of the General Counsel, 1111 Franklin Street, 8th Floor, Oakland, CA 94607.

The OGC is also authorized to accept service on behalf of certain designated officers, including Chancellors, the President of the University, and the General Counsel. Except as just noted, the OGC is not authorized to accept service of a summons and complaint on behalf of individuals named as defendants. Named individuals must be served directly in a manner authorized by the Code of Civil Procedure for service of a summons and complaint, unless specific alternative arrangements are made with the individuals through the OGC or the campus or medical center Risk Managers.

2. SMALL CLAIMS COURT ACTIONS

While attorneys in the Office of the General Counsel are authorized to accept service on behalf of The Regents in any civil action arising from a dispute involving The Regents or any of its subsumed campuses or medical centers, as described above, in a small claims action complaints should be served on the Risk Services Office listed in **Exhibit A** at the relevant campus or medical center. With the exception of certain designated officers, including the Chancellors and the President of the University, who may be served by serving an OGC attorney, as described above, individuals named in a small claims action must be served directly in a manner authorized by the Code of Civil Procedure for service in such actions. (See CCP sections 116.330 and 116.340.)

3. THE REGENTS IS NOT SUBJECT TO CLAIM-FILING PROVISIONS OF THE TORT CLAIMS ACT

California Government Code section 905.6 exempts The Regents of the University of California from claim-filing provisions of the Tort Claims Act. A claimant who wishes to file suit against The Regents may serve OGC as specified in section 1 above.

4. EARNINGS WITHHOLDING ORDERS

OGC attorneys are authorized to accept service of Earnings Withholding Orders (Wage Garnishment) relating to University of California Office of the President (“UCOP”) employees and employees on UC campuses and medical centers. Service of such orders relating to employees on UC campuses or medical centers may also be made on the appropriate campus office, listed on **Exhibit B** hereto.

5. SUBPOENAS

The OGC is not authorized to accept a subpoena for the personal appearance of an individual employee of the University. When an employee is being subpoenaed to appear personally, then that employee must be personally served, unless the individual employee consents and specific alternative arrangements are made through the OGC or the campus or medical center Risk Managers.

OGC attorneys are authorized to accept service of all subpoenas addressed to The Regents (or a subunit thereof, such as a campus or school), including duces tecum for records and person most knowledgeable depositions, regardless of whether the custodian or witness is in the University of California Office of the President or at the campuses. However, OGC is not authorized to accept subpoenas addressed to individuals unless addressed to a Chancellor, the President, or an individual who has previously expressly authorized acceptance. When non-UCOP records are sought, the appropriate campus office, noted on **Exhibit B** hereto, can also be served (CCP 2020.220(b)(2)).
