Colleagues:

This week's HRB staffing update includes information about job postings and updates to the [HRB restructuring website](#).

Job Postings

The position of Director of HR Strategic Planning is now open for application on the [CATS website](#). The position reports to the Executive Director of Strategic Planning and Workforce Development. The application period closes on October 9.

The reassignment process for Professional and Support Staff (PSS) positions continues, and we expect to complete the process by the end of the month. We are working on plans to hold brown bag sessions to explain the process and give you an opportunity to ask questions. Watch for more information. We expect the open PSS positions to be posted in early October. In the meantime, remember to check the CATS website regularly for new jobs from other areas of UCOP and for changes in closing dates.

HRB Restructuring Website Updated

An updated organization chart showing the four Executive Directors and new Q&As have been posted to the HRB Restructuring website.
