From: The Restructuring Implementation Team

To: HR and Benefits staff

Dear Colleagues,

UC San Francisco has many new openings for human resources professionals. We strongly encourage HR/B employees to apply for these new opportunities. These postings will be limited to current HR/B employees and UCSF HR staff for a short time.

The HR department at UCSF is a dynamic, cutting-edge organization within a world renowned health sciences research campus. Flexible schedules, van pools, shuttles, and other options are available to minimize commuting challenges. Salaries are competitive with the San Francisco market.

The open positions are listed below, organized by unit; go to the [UCSF jobs website](#) to apply.
