

## **HRB Restructuring Message for Thursday, November 20**

### **TO: HR and Benefits Staff**

Today's message on the HRB restructuring is short and includes new appointments and information on updates to the restructuring website.

#### **Appointments**

As Katie Lapp announced in her UCOP restructuring update last week, Rene Jackson has been named Director of Human Resources for the Office of the President. Rene has been serving as the Interim Chief Human Resources Officer for UCOP following the retirement of Rosemary Monroe. Working closely with and under the direction of UCSF HR, Rene will oversee HR services for UCOP employees, and she will serve as the primary day-to-day liaison between the UCSF HR Director and the Vice President for Human Resources at the Office of the President. One of Rene's top priorities will be focusing on the integration of UCOP HR services with UCSF HR services to ensure high-quality, and cost-effective services for UCOP employees.

Also, Jeanie Urban, of UCOP HR, has accepted a position in Employee & Labor Relations at UCSF HR. In this position she will continue to provide Employee & Labor Relations support for OP staff.

#### **HRB Restructuring Website**

New questions and answers have been posted to the HRB restructuring website, including several that were asked and answered at Tuesday's brown bag.

#### **Next week**
