NOTES:
(1) Data are from the Management Reports of 5/21/97 for Fall 1997, 5/20/98 for Fall 1998, 5/19/99 for Fall 1999, 5/24/00 for Fall 2000, 5/23/01 for Fall 2001, 5/22/02 for Fall 2002, 5/28/03 for Fall 2003 and 9/1/04 for Fall 2004.
(2) Counts for international students are excluded from this report.
(3) Asian American includes Chinese, East Indian/Pakistani, Filipino, Japanese, Korean, Vietnamese, and other Asians; Latinos represent 24.6% of the admitted Chicano/Latino group for 2004; Other includes students who chose category "Other" on the application; and Decline to State includes students who do not provide information on their ethnic identity in the admissions application.
(4) The counts for Riverside include freshmen who were referred to the campus because they were not accommodated elsewhere. Fall 2002 data contain a non-remediable error that depresses the number of applicants and admitted students. Specifically, students who declined an offer of admission from the UCR referral pool were mistakenly coded as voluntary withdrawals rather than as admitted applicants. The referrals for Fall 2004 represent 1,035 admits and 156 SIRs for Riverside. The Fall 2004 SIR rate for the freshmen who applied directly to this campus is higher at 30%.
