(a) Some schools have opted to set professional degree fees for *nonresident* students lower than those for *resident* students in the same program in acknowledgment of the \$12,245 in Nonresident Tuition that nonresident students must pay in addition to mandatory fees and professional degree fees. Total charges for nonresident students continue to be significantly above those for resident students.

(b) Total fees include the Educational Fee, Registration Fee, Campus-based Fees, Professional Degree Fees, and health insurance.
