	Web Include Members	PPWWILAB
	Table Updates:	None
	Urgency:	Not Urgent

Service Request 16914 asked that Appointment level labor relations information and dues/agency fee information be added to the Web EDB Inquiry Labor Relations screen. With this release, that information has been added.

**WINCLUDES**

**PPWWILAB**

Member PPWWILAB contains file ppwwilab.d2w which processes the Web EDB Inquiry Labor Relations page. With this release, this page has been modified such that the requested additional Appointment and dues/agency fee information is now displayed

**Test Plan**

- Identify the local include subdirectory path for the Web EDB Inquiry application. Review and edit the job “PDS2HFS” in the release JCL library which can be used to transfer the web application files to the identified subdirectory. Run this job once the necessary customization has been made.
- Verify that the following net.data file was copied to the “include” directory:

Filename	Description
----------	-------------

ppwwilab.d2w	Labor Relations page
--------------	----------------------

- After installation confirm that the following text appears at the bottom of the modified Labor Relations page:

**As of Release 1468**

Local Testing is encouraged.

**Installation Instructions**

- Identify the local Production include subdirectory path for the Web EDB Inquiry application. Review and edit the job "PDS2HFS" in the release JCL library which can be used to transfer the web application files to the identified subdirectory. Run this job once the necessary customization has been made.
- Verify that the following net.data file was copied to the "include" directory:

Filename	Description
ppwwilab.d2w	Labor Relations page

- After installation confirm that the following text appears at the bottom of the modified Labor Relations page:

**As of Release 1468**

**Timing of Installation**

The installation of this release is not urgent.

As usual, campuses are encouraged to install this release in as timely a fashion as possible and in the normal numeric sequence.

If there are any questions, please send electronic mail to Susan.Isaacs@ucop.edu, or call at (510) 987-0465.
