	Forms:	None
	Table Updates:	None
	Urgency:	Not Urgent (See Timing of Installation)

Service Request 14895

Service Request 80845 asks that where appropriate, the Employment Status Code (EDB0144) be added to the standard CICS screen header where Social Security Number was previously removed in Release 1560. With this release, Employment Status Code has been added to the CICS online header screens for the following sub-systems:

- EDB Entry/Update
- Employment Verification

This Service Request also asks that Employment Status Code be added to the WHO browse screen where Social Security Number was removed in Release 1573. With this release, Employment Status Code has been added to the WHO screen.

The Help text associated with the Employment Status Code will be addressed in a subsequent release along with Social Security Number Help text from Releases 1560 and 1573.

CICS Programs

PPAPEIFH

This application processor program handles header/footer processing for EDB Inquiry and Employment Verification screens. This program has been modified such that the Employee Status Code is displayed in the header portion of the screen.

PPAPEUFH

This application processor program handles header/footer processing for EDB Entry/Update screens. This program has been modified such that the Employee Status Code is displayed in the header portion of the screen.

PPWWHO

This program handles the EDB Inquiry/Update browse function. This program has been modified such that the Employee Status Code is displayed in the header portion of the screen.

CICS Maps

PPEUHD0

This is the EDB Entry/Update header map. This map has been modified such that Employee Status Code is displayed.

PPEVHD0

This is the Employment Verification header map. This map has been modified such that Employee Status Code is displayed.

PPWHO0

This is the EDB Inquiry/Entry/Update browse map. This map has been modified such that Employee Status Code is displayed.

Test Plan

Testing for this release requires that testers go to each individual subsystem identified in the release letter and verify that Employee Status Code appears in the header records of the data screens.

For each of the following sub-systems, verify that the Employee Status Code appears in the header for the function identified:

SUB-SYSTEM	FUNCTION	DONE
EDB Entry/Update	EPD1	
Employment Verification	IVER	

For the EDB Inquiry sub-system, verify that the Employee Status Code appears on the WHO screen:

PPWH00-RRRR	EDB Inquiry	05/25/04 09:46:36
	Employee Browse	Userid: PAYSBI
ENTERED: ID:	Name:	
ID	Name	Emp Stat Dept
444000123	ACE, JIMMY	A CHAN OFFICE
22222328	ADAMS, JIM	A CHAN OFFICE
000050069	AGES, TRUDY	N POMOLOGY
000050022	ALU, BOB	S CHAN OFFICE

As usual, Campuses are encouraged to create their own test plan.

Installation Instructions

A separate Installation Instruction document has been provided with this release.

Timing of Installation

The installation of this release is Not Urgent.

As usual, campuses are encouraged to install this release in as timely a fashion as possible and in the normal numeric sequence.

If there are any questions, please send electronic mail to Susan.Isaacs@ucop.edu, or call at (510) 987-0465.
