Subject: URGENT: PERS Employee Contribution Survivor Benefit Rate Update  
To: PAY-L@LISTSERV.UCOP.EDU

The Employee Contribution Rate for the 5th Level 1959 Survivor Benefit has been changed by PERS to \$5.65 from \$2.00.

At the request of the Payroll Coordinator's Office by way of Service Request 16955, we are making the appropriate transaction to update the Gross-To-Net Table available via FTP.

The transaction to update the Gross-To-Net Table is now available on the Payroll FTP site, in the following dataset:

[PAYDIST.CTL2005.CARDLIB\(PERS0705\)](#)

Implementation of the modified Employee Contribution Rate for the 5th Level 1959 Survivor Benefit rate is to be effective with July earnings. Therefore, the CTL updates should be applied after Monthly Periodic Maintenance to close June/begin July has been completed.

Campuses will manually update the records of the employees concerned.

After retrieving this transaction *campuses must edit the GTN Change transaction to match the locally-determined Priority Number for the current GTN number*. The GTN transaction from the FTP site contains '????' in positions 4-7 where the priority number must be inserted.

The Control Tables are updated by PPP004.

1. Execute PPP004 in Update mode, using [PERS0705](#) as the input transaction.  
*As always we suggest that appropriate campus testing is done prior to updating the CTL in production*

If there are any technical questions, please contact me directly. Functional questions should be addressed to Julia Sills <<mailto:Julia.Sills@ucop.edu>> of the Payroll Coordinator's Office. She can be reached by telephone at 510-987-0944.
