Subject: URGENT: AFSCME SX DOS Update
To: PAY-L@LISTSERV.UCOP.EDU

The AFSCME contract for the SX bargaining unit provides for a perquisite of at least one free meal. In Service Request SR16969, the Payroll Coordinator's Office requested that PPS Maintenance make the appropriate transactions available to the campuses via FTP.

Transactions to update the DOS Table with the new DOS, 'PFQ' are now available on the Payroll FTP site, in the following dataset: PAYDIST.CTL2005.CARDLIB(DOSPFQ). Note that the free meal perquisite DOS PFM which was added last month is a perquisite by addition, and the new one, PFQ is perquisite by deduction.

After retrieving these transactions, campuses must edit them to provide the locally-determined Sequence Number for the new DOS. Each transaction from the FTP site contains '???' in positions 4-6 where the sequence number must be inserted.

The DOS table is updated by PPP004. Execute PPP004 in Update mode, using DOSPFM as the input transactions.

As always, we suggest that appropriate campus testing is done prior to updating the CTL. As always, these updates should be applied to production only as approved by your campus Payroll Manager.

The installation of this table update is urgent for those locations who use perquisites by deduction for the SX unit.
