This release addresses the following Service Request

**Service Request 16951: Change source for Country name in the 1042-S Federal extract file**

It has been reported that the Federal 1042-S tape file is incorrectly translating the Country of Foreign address instead of Country of Residence. It is requested that the Country of Residence (EDB 0143) rather than the Country of the Foreign Address (EDB 1118) be translated for columns 359-398).

**Programs**

**PP1042ST**

This program produces the 1042-S extract file for the Federal government. It was changed to use the translation of the employee's country of residence (EDB0143) instead of the employee's address country (EDB1118) in the extract columns 359-398.

**Test Plan**

An installation Test Plan is provided with this release.

**Installation Instructions**

1. Modify, install, batch compile and link program PP1042ST. No package bind is required.
2. Bind plan PPP730
