Subject: CTL Update: Gross to Net Table (PPPBTN)
To: PAY-L@LISTSERV.UCOP.EDU

Service Request 81261 requests that the Gross to Net Table be updated, deleting USERRA GTN numbers for UC Funds. Because of the transition to the Master Record Keeper, it is no longer necessary to maintain separate sets of GTN numbers for UC funds and Fidelity funds. Therefore, the UC fund GTN numbers (714, 715, 716, 717) will be deleted and new USERRA contributors will use the "Fidelity" GTN numbers for their payroll deductions.

Therefore, at the request of UCOP H/R Benefits, the appropriate transactions are made available via FTP. All campuses should obtain the transactions at:

PAYDIST.CTL2006.CARDLIB(GTNUSRA)

The supplied delete transactions must be processed via PPP004.

As always, we suggest making a backup of the updated control tables either through an unload or an image copy after updating your production control tables.

Functional questions regarding this change should be addressed to Carrie Gatlin <mailto:Carrie.Gatlin@ucop.edu>. Carrie may be contacted by telephone at (510)287-3837.
