Subject: IAP Assessment Rates - 2006
To: PAY-L@LISTSERV.UCOP.EDU

Service Request 81433 requires that the Incentive Award Program (IAP) Table and the Assessment Rate Table (ART) be updated to provide 2006 IAP assessment changes.

Therefore, at the request of UCOP H/R Benefits, these CTL update transactions are made available via FTP. All campuses should obtain the transactions contained as:

PAYDIST.CTL2006.CARDLIB (IAPPROD)
and
PAYDIST.CTL2006.CARDLIB (ARTPROD)

These are the suggested transactions but campuses should consult with the campus HR/Compensation offices for the determination of the appropriate campus assessment rate values.

Note that the Title Unit Code for the local Crafts unit is identified on the supplied IAPPROD dataset as "K?". This value must be edited for the appropriate local value.

The supplied update transactions must be processed via PPP004 prior to the January Expense Distribution process run in early February.

As always, we suggest making a backup of the updated Control tables either through unload or image copy after the successful update of the production CTL tables.

Functional questions regarding the 2006 IAP assessment rates should be addressed to Shelley Dommer at (510) 987-0438 or Shelley.Dommer@ucop.edu.

For technical questions, please send electronic mail to Jim.Tuohig@ucop.edu, or call (510) 987-0741.
