Subject: CTL Update: AFSCME Dues/Agency Fees/Caps Increases

AFSCME (via Service Request 81480) has requested that changes be made to the Dues/Agency Fees and related caps effective May 1, 2006.

Therefore, at the request of Labor Relations and Payroll Coordination, we are making the appropriate transactions available via FTP. All campuses other than Santa Cruz should use the dataset:

PAYDIST.CTL2006.CARDLIB(AFSC06)

while the Santa Cruz campus should use

PAYDIST.CTL2006.CARDLIB(AFSC067)

These updates must *not* be applied until after the final compute for April 2006 earnings has run, but *must* be applied before the first compute for May 2006 earnings is run. We suggest that these updates be applied to your production Benefits Rates table at the same time Monthly Maintenance to begin Month 05 (May) is run.

As always, we suggest making a backup of the updated Control tables either through unload or image copy after the successful update of the production CTL tables.

Functional questions should be addressed to Abdul Abdurahman <mailto:Abdullahi.Abdurahman@ucop.edu> of Payroll Coordination. He can be reached by telephone at (510) 987-0946.

Technical questions may be addressed to me at <mailto:Jackson.Quan@ucop.edu>, or call (510) 987-0464.
