Subject: CTL Update: Description of Service table

Service request 81750 asks to add or change the following DOS Codes:

- FFH is in response to the Fire Fighters contract
- MBP is in response to the CNA contract
- NDP is redefined to include all non-qualified deferred compensation
- PQX is for taxable housing perquisites
- TPR should have a blank FLSA indicator

Therefore, at the request of Payroll Coordination & Tax Services, we are making the appropriate transactions to update the Description of Service table available via FTP. The transactions can be downloaded from the Payroll ftp site in the following dataset.

PAYDIST.CTL2006.CARDLIB(DOS81750).

The supplied transactions must be processed via PPP004. Values of '???' in columns 4 through 6 of the transactions must be changed to the appropriate sequence numbers for your location.

Functional questions should be addressed to Patty Yamashita of Payroll Coordination:
Patty.Yamashita@ucop.edu or 510-987-0909.

Technical questions may be addressed to me at Baskar.Chitravel@ucop.edu or 510-987-0692.
