Subject: Date Mandated: UAW Agency Fee Rate Change

As per Service Request 81964, UAW has requested that a change be made to the Agency Fee rate charged to payers in the BX unit for all pay periods beginning on or after August 1, 2007. The Dues rate remains unchanged at 1.15%, but the Agency Fee rate is being reduced to 0.87%.

At the request of Labor Relations and the Payroll Coordinator's Office, we are making the appropriate transactions to update the Benefits Rates Table with the new rates available on the Payroll FTP site, in the following dataset:

PAYDIST.CTL2007.CARDLIB(BX2007)

The file contains eight transactions for the Benefits Rates Table, setting the Agency Fee/Charity (GTNs 474, 558, 559, and 560) rate to 0.8700% in both the BX and default (00) units. Again, the existing Dues rate of 1.1500% is not being changed at this time.

Each location should verify that these standard GTN numbers are actually the ones in use for BX deductions, and make any changes necessary in the transactions before using them to update their production control tables by processing the transactions through PPP004.

As always, these updates should be applied to production only as approved by your campus Payroll Manager.

The transactions must be applied prior to the compute for August earnings covering the pay period beginning on or after August 1, 2007.
