Subject: Year-End Table Updates II - Correction to country code table

On 12/10, we sent out the year-end tax table updates, which included changes to the country code table. There was a typo in one of the country names.

Transaction [A28TBST. BARHELEMY](#) should be [A28TBST. BARTHELEMY](#).

If the MRTAX08 transactions have not already been applied, please download them again from PAYDIST.CTL2008.CARDLIB(MRTAX08) before running the update.

If the MRTAX08 transactions have already been applied, please download PAYDIST.CTL2008.CARDLIB (MRTAX08A) which contains a single change transaction and run PPP004 to apply that transaction.

Sorry for any inconvenience. Please contact me if there are any questions about this change.

Happy holidays!
