Subject: CTL Update: DOS Code

SR 82529 asks the PPS DOS codes be amended in order to obtain consistency in the reporting of compensation in the Corporate Personnel System (CPS).

Therefore, at the request of UCOP Payroll Coordination, these CTL Table update transactions are made available via FTP. Campuses should obtain the transactions at:

PAYDIST.CTL2009.CARDLIB (DOS2529)

The supplied transactions must be processed via PPP004.

Locations should coordinate with Academic Personnel Offices to implement changes by as close to May 1 as possible to allow for departments to use these codes for summer, 2009. If it is determined that local circumstances will not allow for summer 2009 implementation, then local implementation may be delayed until no later than January 1, 2010.

As always, we suggest making a backup of the updated Control tables either through unload or image copy after the successful update of the production CTL tables.

Functional questions should be addressed to Shaun Ruiz of Payroll Coordination (Shaun.Ruiz@ucop.edu 510-987-0909).

For technical questions, please send electronic mail to Pamela.Torres@ucop.edu or call (510) 987-0741.
