**SR82536**  
**DOS Code Updates**

**Objective:**

The objective of this service request is to modify the attributes of base PPS DOS Codes.

**Project Type:**

This is an update to the Description of Service Table, table #10.

**Requested by:**

DOS Code Committee

**Analyst(s):**

Shaun Ruiz, Payroll Coordination

**Due Date(s):**

To be released to locations by May 1st, 2009. Locations should implement their local changes by June 1st, 2009.

The changes requested in this service request are the result of the Description of Service (DOS) Code review project. This review covers the following Corporate Personnel System (CPS) types of service:

- EA = Employment Allowances
- TF = Taxable Fringe Benefits – Not for Service

This service request asks that specific PPS DOS codes be amended in order to obtain consistency in the reporting of compensation in the PPS.

Testing of the DOS codes should be carried through to the UCRS Interface file (PPI730).
