Introduction

Service Request 82518

Service Request 82518 addresses requirements to add employee and dependant Medical Cover End Date, Dental Coverage End Date and Vision Coverage End Date information to the IVR interface File.

- 1) The record layouts for the IVR employee and dependant files will change to accommodate the new Medical, Dental and Vision Coverage End Date information.
- 2) The IVR interface files will change to accommodate the employee and dependant Medical, Dental and Vision Coverage End Date data.
- 3) The program that processes the IVR interface files (PPIIVR) will change to populate the employee and dependant Medical, Dental and Vision Coverage End Date data.

PPS Modifications

Copylib Member Changes

CPWSIVRE

This copy member contains the record layout for IVR Interface file records associated with an employee.

The following changes will be made to the record layout associated with the IVR Interface File processing:

- Medical Coverage End Date (EDB0300) will be added in columns 893 to 902 of the Employee Data Record section on the Employee IVR record.
- Dental Coverage End Date (EDB0271) will be added in columns 903 to 912 of the Employee Data Record section on the Employee IVR record.
- Vision Coverage End Date (EDB0346) will be added in columns 913 to 922 of the Employee Data Record section on the Employee IVR record.
- 70 bytes of filler will be added to positions 923-992.
- The Employment Status Change Date field will be changed from positions 893-902 to positions 933-1002

CPWSIVRD

This copy member contains the record layout for IVR Interface file records associated with an employee's dependant.

The following changes will be made to the record layout associated with the IVR Interface File processing:

- Medical Coverage End Date (EDB0659) will be added in columns 893 to 902 of the Employee Data Record section on the Dependant IVR record.
- Dental Coverage End Date (EDB0656) will be added in columns 903 to 912 of the Employee Data Record section on the Dependant IVR record.
- Vision Coverage End Date (EDB0657) will be added in columns 913 to 922 of the Employee Data Record section on the Dependant IVR record.
- 70 bytes of filler will be added to positions 143-212.

Program Changes

PPIIVR

Program PPIIVR produces the daily interface file sent to UCOP to update the system wide PPSIVR database. This program will be changed for the following:

- The employee Medical Coverage End Date, (EDB0300), if available, will be added to the IVR Interface files.
- The employee Dental Coverage End Date, (EDB0271), if available, will be added to the IVR Interface files.
- The employee Vision Coverage End Date, (EDB0346), if available, will be added to the IVR Interface files.
- The dependant Medical Coverage End Date, (EDB0659), if available, will be added to the IVR Interface files.
- The dependant Dental Coverage End Date, (EDB0656), if available, will be added to the IVR Interface files.
- The dependant Vision Coverage End Date, (EDB0657), if available, will be added to the IVR Interface files.
