Introduction

Service Request 82470

Service Request 82470 addresses requirements to add employee and dependant Medical Plan information to the VSP Carrier File.

- 1) The record layout for the VSP Carrier Enrollment file will change to accommodate the employee medical plan information on the VPS enrollment records for employees and dependants covered by a vision plan.
- 2) The VSP Carrier Enrollment file will change to accommodate the employee medical plan information on the VPS enrollment records for employees and dependants covered by a vision plan.
- 3) The program that processes the VSP Carrier Enrollment file (PPP560) will change to populate the employee medical plan information on the VPS enrollment records for employees and dependants covered by a vision plan.

PPS Modifications

Copylib Member Changes

CPWSDDCT

This copy member contains the various record layouts for the Carrier Enrollment file.

The following changes will be made to the record layout associated with the VSP Carrier Enrollment File processing:

- Medical Plan Code (EDB0292) will be added in columns 213 to 214 of the Employee Data Record section on the Employee VSP record.
- Medical Plan Code (EDB0292) will be added in columns 79 to 80 of the Dependant Data Record section on the Dependent VSP record.
- “Reserved-4” field of the Employee Data Record section will be reduced in size by two positions. Field will be changed from positions 213-238 to positions 215-238.
- “Dependent-Reserved-1” field of the Dependant Data Record section will be reduced in size by two positions. Field will be changed from positions 79-104 to positions 81-104.

Program Changes

PPP560

Program PPP560 creates a preliminary benefits enrollment file. This program will be changed for the following:

- The employee Medical Plan (EDB0292), if available, will be added to the vision coverage records on the VSP Carrier file for all employees with a Medical Plan and covered by a vision plan.
- The employee Medical Plan (EDB0292), if available, will be added to the vision coverage records on the VSP Carrier file for all employee dependants with a Medical Plan and covered by a vision plan.
