AP DOS Code Updates

Objective:

The objective of this service request is to add/modify base PPS DOS Codes.

Project Type:

This is an update to the Description of Service Table, table #10.

Requested by:

Academic Personnel

Analyst(s):

Shaun Ruiz, Payroll Coordination

Gina Durrin, Academic Personnel

Due Date(s):

To be released to locations by November 1, 2009. Locations should coordinate with Academic Personnel Offices to implement these changes.

This service request asks that base PPS DOS codes be amended in order to obtain consistency in the reporting of compensation. It is recommended that a delete transaction precede each add transaction when applicable.

Testing of the DOS codes should be carried through to the UCRS Interface file (PPI730).

The UPAY forms attached to this service request apply to the Base PPS only.
