Re: President's Privacy and Information Security Steering Committee report

Dear Sheryl and Gene:

Thank you for your leadership of the President's Privacy and Information Security Steering Committee. The Academic Council discussed the report at its meeting on October 23rd. Council found the report very informative and asked that a link to it be added to the systemwide Senate's website as a resource for faculty. Council did not find that a formal review of the report is necessary at this time, but it will be important that the Senate be engaged as governance initiatives are developed.

Please do not hesitate to contact me with any questions.

Sincerely,

Bill Jacob, Chair
Academic Council
