All other terms and conditions in CalTrans IMA 65A0108 remain unchanged. Please remember: No work or expenses should be incurred under any Research Technical Agreement (RTA) or Task Order prior to the date that a fully executed RTA is received by the campus.

Our office has negotiated a new master agreement with CalTrans and we are waiting for final signatures. The term is December 31, 2007 through December 30, 2010. All “in progress” task orders under our current agreements #65A0108 and #65A0105 will be automatically incorporated under our new master agreement, and the two current master agreements will terminate. We will notify you when the new master agreement is fully executed.
