CONTRACT AND GRANT OFFICERS

Subject: State Energy Resources Conservation and Development Commission (CEC) Contract No. 500-02-004, Amendments 1, 2, and 3

This memo provides the subject three Amendments to the California Energy Commission (CEC) Contract No. 500-02-004. Amendment No. 1 extended the period of performance for this Contract to from March 31, 2006 to March 31, 2008, added funding, and clarified the fringe benefit and indirect cost calculations for the Office of the President, California Institute for Energy and the Environment (CIEE).

Amendment No. 2 extended the end date of the Contract from March 31, 2008 to March 31, 2009, added funds, and modified compensation for CIEE. Amendment No. 3 extends the period of performance from March 31, 2009 to June 30, 2011, the current end-date of this Contract. It adds funds and revises terms and conditions regarding work authorizations and subcontracts and adds a new Scope of Work. Although the changes are numerous, they do not affect the operation of this Master Research Agreement for campuses. The changes affect the operation of the CIEE office and private subcontractors.

All other terms and conditions remain the same. All funding under this Contract continues to be awarded to campuses via Work Authorizations from OP CIEE.
