CONTRACT AND GRANT OFFICERS

Subject: Sandia National Laboratories Contract Ordering Agreement No. 776622

Enclosed is a copy of the subject Sandia National Laboratories Ordering Agreement (OA) negotiated by the Office of the President Research Administration Office for use by all campuses with the Sandia National Laboratories.

This Agreement consists of three parts:

1. The Cover Page
2. Section I – Terms and Conditions
3. Section II – Sandia’s Standard Terms and Conditions for Educational Institution, SF6432-EI (12-04), which can be viewed at <http://www.sandia.gov/supplier/terms/> .

It is important to note that since UC could not accept some of Sandia’s standard terms and conditions in Section II, they agreed to alter Section II for us by incorporating modifications in Section I, Clause 18. Do not rely on a Section II term before verifying whether or not it has been modified in Section I, Clause 18.

The terms of this OA should be consistent with the example attached. When you receive an order or request for proposal from Sandia, it should reference Agreement No. 776622. If it does not, please refer your Sandia Contracting Officer to this Agreement number and request that the order be issued under this Agreement.

This Agreement is for a five year period, from December 22, 2007 to December 21, 2012. This Agreement supercedes the previous one published with Operating Guidance Memo 97-06
