

Budget Justification

1. Budget Justification.

- List separately each person to be supported by the grant proposal, their base salary and % effort committed to this project. Provide a brief description of their role in the project (3 sentences).
- Briefly explain the need for pieces of equipment, major supply items (over \$5,000 each), and project-related travel.
- If funds for contracts or subcontracts to other non-UC/lab organizations are requested, justification must address why these activities cannot be performed at the lab or one of the UC Campuses. Subcontracts to non-UC/non-lab institutions should not constitute more than 10% of direct costs.
