As of January 1, 2014,
the University of California is Tobacco-Free.

UC is committed to providing a tobacco-free environment starting January 2014. To support this policy and help those who want to quit, the university offers a number of resources for faculty and staff.

Beginning Jan. 1, 2014, all UC-sponsored medical plans will provide the following:

- Prescription nicotine replacement therapies, such as nicotine inhalers, sprays and medications, at no additional cost when prescribed by a physician.
- Over-the-counter nicotine replacement therapies, such as nicotine patches and gum, when prescribed by a physician, at the generic co-pay for UC Care, Health Net Blue & Gold and Western Health Advantage. Kaiser members have no copay. Under Core and the Blue Shield Health Savings Plan, these products will be subject to the deductible and coinsurance.
- Behavior modification programs are available, but it is not required to receive these benefits. Co-pays and program fees may apply.

Consult your medical plan's booklet or website for more information.
