Notes:

AEDs are located on both the **12th floor (conf room #1217)** and **6th floor (hallway)**.
Portable Oxygen unit is located next to the **6th floor AED** (hallway).

Office Floor Locations:

N = North (21st St. wing of building) S = South (20th St. wing)
C = Center ('T') area

Program Coordinator: Bob Charbonneau (tel.: 987-9594 / pager: 510-702-4057). Notify immediately if there are any problems, or AED needs service (red 'x' present in status window in top corner of AED), or if AED has been used.
