

# Announcing

A new web site that enables high schools to update their UC a-g course list on-line

The site includes:

- Training sessions in late November / early December 2001
- Pass code protection via assigned User IDs
- Technical support
- Multiple users (both school and district, as appropriate)
- Ability to update school information, revise current courses, and submit new courses
- Check status on your submission
- Receive electronic feedback on your submission

Just go to...

[www.ucop.edu/a-gonline](http://www.ucop.edu/a-gonline)

(Accessible after December 15)
